No. 16.—The following Circular letter is published:—

From W. D. WOOLLEN, Esq., Accountant-General, Madras, to all Heads of Department, dated Fort St. George, the 17th May 1922, No. T.M. 24-1-74.

In continuation of this office Circular No. T.M. 24-1-433, dated 24th January 1922, I have the honour to state that in consequence of the revision of pay of all non-gazetted establishments on a time-scale basis, it will be necessary for my office to see in and that the rate of pay drawn for each individual in the time-scale is admissible and that the total charges incurred for an office for a month do not exceed the permissible ceiling for that office for the month.

2. In the case of Government servants whose names are omitted from pay bills under Rule 3 below article 64 of Civil Account Code, Volume I (Eighth Edition), the former check cannot be exercised by my office and the attention of all the officers under your control may be drawn to the importance of their personally examining the claims of the increments of these men. The total permissible cost in respect of these establishments will have to be reported to this office to enable it to see that the payments made do not exceed the permissible cost.

3. I would, therefore, request that two statements in the subjoined form be attached to the monthly main establishment pay bills—the one showing all permanent alterations in the month in the rates of pay to be drawn, due to death, retirement, dismissal, grants of increments, personal transfers from and to office, etc., and the other showing the details working up to the permissible ceiling in the case of the men whose names are omitted in pay bills.

4. The existing increment certificates should continue to be attached to pay bills as before. In the case of establishments borne on Provincial, amalgamated or District scale, the statements required in the preceding paragraph should be submitted to the Controlling officers as whose office the consolidated absence statement is prepared and such returns should be consolidated and forwarded to this office by the Controlling officers concerned along with the consolidated absence statements.

THE FORT ST. GEORGE GAZETTE.

No. 22.]

MADRAS, TUESDAY EVENING, MAY 26, 1922.

[PART. 2, p. 100.]

AUDIT ORDER ON THE ACCOUNTS OF THE MADRAS CHRISTIAN CENTRAL CO-OPERATIVE BANK, LIMITED.

IN O. O. No. 343, Development, dated 21st March 1922, the Government have been pleased to authorize the Registrar as a special case under section 48 of the Co-operative Societies Act, 1912, to arrange for the audit of the accounts of the bank for a period of eighteen months ending 31st December 1921, in view of the audit already completed for the year ending 30th June 1921. The accounts of the bank have accordingly been audited by M. R. S. K. Saraprasanna Mudaliyar, M.B.A.S., City Auditor. The statements showing (1) receipts and disbursements, (2) profits and loss and (3) assets and liabilities as furnished by him and appended below are passed.

2. The number of individual and society members rose in the period from 242 and 101 to 274 and 120 respectively and the paid-up share capital from Rs. 42,645 to Rs. 1,29,444.

3. The fixed and recurring deposits of individuals rose during the period under review from Rs. 1,36,740 to Rs. 2,59,856. The bank introduced the current account system in the year and it seemed also credited in the Imperial Bank of India and the Madras Central Union Bank. These three items have led to a considerable increase in the volume of the total transactions so that as much as Rs. 15,49,347 was received and Rs. 21,91,147 was issued under the several items of deposits and borrowings. The net liabilities under borrowings rose from Rs. 1,40,771 to Rs. 5,35,672.

4. Three hundred and one loans amounting to Rs. 2,36,710 were disbursed to primary societies in the period and sixty-six loans were completely cleared off. There were, besides a loan of Rs. 10,000 due from the Salem District Bank, two loans amounting to Rs. 4,14,480 outstanding against primary societies at the 31st December 1921. Out of this amount a sum of Rs. 36,710 was overdue on that date relating to 121 loans. The arrears incurred on that date was Rs. 1,12,500 of which Rs. 5,000-10-10 were overdue since 30th June 1921. The amount of interest accrued after the due date in the case of loans on which interest was overdue was Rs. 750-5-6. Since the total overdue interest and accrued interest in the result of the bank which amount is included in the profits to Rs. 4,00-12-8. There has been considerable improvement in the reduction of arrears both as principal and interest during the last six months of the period under review. The bank is now taking further vigorous steps to clear the overdue bank in principal and interest.

5. During the period under review, the net profit earned by the bank was Rs. 35,418-1-10. From this has to be deducted Rs. 2,750-7-4 as amount of the loss incurred by the bank in May 1921 and written off by the general body of the bank at their meeting held on the 21st March 1922.

6. The net profits available for distribution are therefore Rs. 32,667-16-7. One-fourth of this sum, viz. Rs. 8,167-5-4 should be credited to reserve fund. The balance is available for distribution for liquidation to the members, divided on the paid-up share capital and unclaimed good fund subject to the limitations and maxima laid down in by-law 28. The bank is requested to remit the sum of Rs. 2,677-9-8, plus Rs. 1-11-0 still due on account of last year's contribution to the Reserve fund for investment to the Madras Central Union Bank.

7. The contribution to the expenditure fund during the period by societies was Rs. 912-8-4 and by the bank Rs. 916-11-8. There was an opening balance of Rs. 229-15-4 at the credit of the expenditure fund. Only a sum of Rs. 147-5-8 was disbursed to expenditure. Hence, there was a balance of Rs. 1,000-4-4 to the credit of the fund. Steps are being taken to distribute to the societies according to the rules laid down.
